Hi Eric,

If splitting infinitives is your thing, then feel free to occasionally do so . That's fine if Northstar uses the image. I just need to be referred to as a kayaker, and Dr. Shawn Fullmer.

Take care.

Hi Shawn,

Dang, am I going to have to stop splitting infinitives? Just looked you up on FL site to fix your email address.

Thanks for letting me make your photos in the Animus. I just received a request for the image...

(<http://www2.epa.gov/goldkingmine/photos-related-gold-king-mine-response>)

from Northstar Travel Media for use in Travel Weekly magazine for a story emphasizing recovery. The moron reporter referred to you as a rafter so I'm not inclined to send the image ;-p

Do you mind if they use it? If not, do you want to be identified?

Many thanks,

ev
